

**2022-2023  
Board of Governor Nomination Form**

Members of the Board of Governors of the Fairleigh Dickinson University Alumni Association work in close partnership with alumni relations and development staff members on a variety of key activities, including programming, communications, and outreach to alumni and current students. Service on the alumni board is a great way to make an impact on the University and the lives of current students and fellow alumni. As you nominate a fellow graduate - or yourself - for service, please keep in mind this is a working board; as a result, the ability to directly participate in committee work, events and activities will be given strong consideration. Also, as you complete the form, please include any interest, or experience you or the nominee has in engagement activities. Nominations will be considered for a three-year term of service starting July 1, 2023. The deadline to submit a nomination is January 5, 2023.
